

*None of That*

No sleep for the wicked  
No star for the chosen  
No clothes for the naked  
No warmth for the frozen  
No hope for the morbid  
No cure for the poison  
No shave for the bearded  
On any occasion

No salve for the acid  
No key for the prison  
No spine for the flaccid  
No plump for the wizen  
No bow for the cupid  
No sail for the mizzen  
No brain for the stupid  
On any occasion

No calm for the turbid  
No gold for the brazen  
No books for the learned  
No shield for the blazon  
No sex for the tumid  
No cheer for the season  
No balm for the wretched  
On any occasion

No bloom for the orchid  
No stone for the mason  
No straight for the crooked  
No blood for the basin  
No bed for the palsied  
No faith for the parson  
No care for the kindred  
On any occasion

On any occasion  
Support the invasion  
It's there for the taking  
No need for persuasion  
No sleep for the wicked  
No peace for the waking  
On any occasion  
On any occasion
